

The Jason Lane Band perform as an acoustic duo delivering classic rock and solid blues with an acoustic flare.

BLUES-ROCK FULL OF GUSTO AND STYLE

The Jason Lane Acoustic Duo delivers the best of upbeat, dance-able rock and blues music from the 70s to 90s. Fronted by powerhouse singer Chantal Sayers, the duo pays homage to the songs that influenced them and the powerful female singers of that time. Sing along with tributes to Alannah Myles, Aretha Franklin, Sass Jordan, Tracy Chapman and Heart just to mention a few.

“Harmonies and backup vocals that are smooth and sweet.”
- Fraser Valley Blues Society

Although the duo leans heavily on covering these classic tunes, they have also released three EPs containing their own original rock-blues sound. The JLB sound has received rave reviews and you will find a few of these in duos set.
